AREA OGGETTO DI INTERVENTO

This aerial photograph shows a residential neighborhood with various buildings, streets, and green spaces. A specific area, outlined in blue and shaded in red, is designated as the 'AREA OGGETTO DI INTERVENTO' (Area subject to intervention). The area is located in the upper right quadrant of the image, adjacent to a large green space and a road. The surrounding area includes several buildings with red-tiled roofs, parking lots, and a mix of vegetation. The red shading highlights a rectangular area with some internal divisions, possibly indicating a planned development or renovation project.
